

Big Guns was a bonus track.

In the blood is about a barfight.

Remastered Full live video of 84 Seattle in the "Multimedia section".

contrary to internet rumors this wasn't recorded in a big rush in the studio, they worked very hard on these recordings.

Early on there was a Metal Church fanclub called "Bangers Battalions". You could get a membership card. A few other items were a signed picture, Metal Church stationary and the famous neckbrace. It was run by David's brother, Dennis Carnell.

Early Track Titles were;

Beyond The Black

Metal Church

Merciless Onslaught

Gods Of Wrath

Thrasher (hitman)

in the blood

Sasquatch (nightmare)

The Giants (Battalions)

Highway Star
